Birthday Party Packages

Classic Party

The DCM Classic Party Package is the perfect choice for those looking for the option to have a private room to enjoy birthday cake and gifts, while spending the rest of your time playing in the Museum.

Under the Sea

This party is sure to be a big splash with our youngest aquatic explorers. Kids can enjoy a variety of tactile, creative experiences at several hands-on learning and play stations. Plunge your hands into a bin of colorful water beads...what sea creatures can you find hiding inside? Next, select several sea-themed stamps to create a unique underwater scene. Then, add gravel, plants and an aquatic animal of your choice to complete your own take-home aquarium jar. (Recommended Ages 1-4)

Art Ventures

Break out those artistic skills as you explore two different mediums to create your very own portfolio to take home. You'll be able to watch salt crystals chase away the pigment of watercolor leaving a dazzling texture and watch a marbled design appear using shaving cream and water color. Great for all ages (younger children may need assistance).

Slime Buffet

Calling all amateur scientists! Roll up your sleeves and experiment with two different mixtures at our hands-on investigation stations. Select your favorite embellishments from our "slime buffet" and mix them together with glue, water and Borax to create an ooey-goopy polymer that you can take home. Next, dip your fingers into some freshly-made oobleck to round out your observations. Discover what happens when you try to pick up this cornstarch and water mixture, and then compare it to your batch of gluey slime. Great for all ages (younger children may need assistance).
